Welcome to Verity HealthNet!

Verity HealthNet is a progressive, statewide physician hospital network based in Louisiana. Verity, literally defined as truthfulness, honesty and integrity represents the very qualities that often seem to have been lost or conveniently forgotten in today's rapidly changing healthcare market. We at Verity HealthNet have built the foundation of our company on these specific tenets with clear expectations from everyone who works in coalition with us, including our providers, employers and payors, as well as the patients.

Our goal is to continually develop and maintain the highest quality, cost effective network of choice with minimal disruption to the patient-physician relationship. Some of our strengths are categorized as:

- **Our People:** At Verity, we believe an organization is only as strong as the capabilities, experience and desire for excellence of its staff. The combined experience of our staff brings over 50 years of expertise in the managed care field. This level of dedication and experience underscores our philosophy that a company is defined as the people you work with.
- **Outstanding Customer Satisfaction:** We realize that in our industry, it is service that sets us apart from our competition. We are committed to maintaining our reputations as the leaders in customer satisfaction. We welcome your calls for information, questions or suggestions.
- **Local Presence:** Our local presence and market knowledge puts us ahead of our competition as far as responding to the immediate needs of our providers and members in Louisiana. Because we are locally operated, we are able to exceed the needs of our providers and members, especially in rural areas throughout the state.

Opelousas General Health System Domestic Providers

If you have questions concerning your health plan coverage, insurance claims or reimbursement, please contact the insurance company on your ID card.

Special Updates for OGHS plan participants:

Although we have made every effort to ensure the accuracy of this directory, the only way to confirm the status of a participating provider is by calling Verity HealthNet directly at 225-819-1135. Pursuant to Louisiana's Health Care Billing and Disclosure Act "any written or electronic notice, publication or document issued by or on behalf of a health insurance issuer to an enrollee or insured that identifies contracted health care providers shall state that facility based physicians may not be contracted health care providers.
