You and your families' good health is our primary concern. The "General Health System Health Plan Network" is designed to give you and your dependents access to the highest quality of providers. Our goal is to continually develop and maintain this high quality network.

It is important to remember, choosing a network provider allows you to receive coverage at a network rate. It is the responsibility of the patient/insured to choose a participating provider within the network..

If you have any questions concerning your health plan coverage, an insurance claim or reimbursement please contact **FiServ Health** at (866) 868-0506. If there is a provider that is not listed in the directory that you would like to have join the network or should you have any questions about the health plan or any other benefit please contact Human Resources at (225) 237-1558, option #5.

Please note that changes occur daily to our provider panel and General Health System is not responsible for inadvertent errors or omissions. For the most current listing of participating providers please visit the General Health System intranet or access the listing from your home at www.verityhealth.com.
